**PACHMAYR®
HANDGUN GRIPS**

Pachmayr pistol and revolver grips are made of the highest quality, real rubber compounds. Unlike other grips made of synthetics, Pachmayr handgun grips are specially formulated to give you long life, great feel and true recoil reduction. Pachmayr grips look as good as they handle. Each design is tested and re-tested for each new gun model we introduce. Pachmayr has always offered the widest selection of grips anywhere to fit the needs of each shooter. Our Decelerator models are designed to reduce recoil, especially on the biggest magnums and powerhouses such as the T.C. Contender. Our Signature line for semi-autos has steel inserts and features the patented Pachmayr wrap-around design. Compac grips provide the ultimate in control and concealment. American Legend grips combine the function of rubber and the beauty of wood. Pachmayr offers the widest selection of Slip-on grips to best fit the most pistols; no need to trim your grip to size. Regardless of which Pachmayr grip you select, we fully guarantee that it is of the best quality and will fit properly on your gun. For questions or problems, please call our Customer Service department and we will be glad to assist you in any way possible.
